**The SMC reunion committee needs your help in finding ALUMNI and spreading the word regarding the re-union.** Naturally, we will do our best to get the message out (via media, e-mail, website, etc...) but nothing would be better than you contacting fellow classmates and friends to see if they have heard about the re-union and encourage them to register.

We have talked to many people and all are very excited about next years reunion. We hope you are too.

**Start planning to attend today!**

### Volunteers Needed

**Sign up now!** A lot of preparation work is required and your reunion committee is looking for interested volunteers to assist in preparations. If interested please express your desire
